

## **NAMSS Diversity and Inclusion Statement**

NAMSS seeks and values diversity and inclusive practices within our membership, leadership and in the areas of the medical services profession represented by the membership, and strives to build committees and the Board of Directors in a manner that is reflective of the diversity of our profession. NAMSS celebrates diversity and welcomes people of any age, appearance, disability, ethnicity, gender, geographic location, nationality, professional level, race, religion, and sexual orientation and is committed to ensuring diversity and inclusion at all levels of the organization.

To this end, NAMSS promotes involvement, innovation and access to opportunities that maximize engagement across the healthcare settings, professional roles and professional levels represented by the membership.
