### Speakers

Christine Mobley, CPMSM, CPCS – Edge-U-Cate, LLC  
John Synowicki, JD – Polsinelli Law Firm

To view the full program, go to our website at [www.kamss.org](http://www.kamss.org)

Registration deadline is June 7  
10 CEU’s have been applied for through NAMSS
I hope that everyone is having a good year, so far. The beginning of the year has already brought change and challenges. I would like to thank Susan Belden and Paul Root for their time on the KAMSS Board. I would also like to thank Christina Barnwell and Jennifer Herington for their willingness to become part of the KAMSS Board.

Information about our annual conference - Your Credentialing Journey, is on pages one (1) and two (2) of this newsletter. It is also posted on the KAMSS website. There is still plenty of time to register and I hope to see you there in June.

We are celebrating our 30th anniversary this year. Medicine has changed in 30 years and so has the medical staff services profession. The KAMSS Board acknowledges these changes and strives to find topics and speakers who can provide update to date requirements as well as best practice. We will celebrate our anniversary at our annual conference. See page five (5) for a brief history of our organization.

Please let us know if you have any ideas or suggestions for speakers/topics for our future educational programs. Thank you for this opportunity to report.

Elaine Weston – Coffey County Hospital - Burlington
KAMSS Business Meetings & Educational program
August 16 – Rooks County Health Center – Plainville
November 15 – Salina Regional Health Center – Salina
KAMSS Annual Conference
June 11 & 12, 2020 – Drury Plaza – Wichita

If you have any questions about any of the upcoming educational programs, please contact any member of the KAMSS Board.

NAMSS

Upcoming NAMSS Education
- Fall 2019 CPCS/CPMSM Testing Window – October 26 – November 16 – application deadline is Friday, August 30
- 43rd Educational Conference and Exhibition – October 19 – 23 – Philadelphia, PA

To find out more information about these offerings, visit the NAMSS website at www.namss.org

The Joint Commission

Field Review – several proposed standards have been posted for field review.
- New Requirement for Accredited Ambulatory Care Organizations (primary care medical home)
- New Requirement for Primary Care Medical Home (hospital, primary care medical home, critical access)
- Proposed standard for Perinatal safety (perinatal care)
- Pre-publication standards – several have been posted for ambulatory care; hospitals; behavioral health; nursing care center; critical access; office-based surgery; disease specific; home care

To view the standards, go to www.jointcommission.org
URAC

There was an interesting blog post on April 17, made by the URAC Staff – Experts Challenge Telehealth Industry to Demonstrate Long-Term Value. To view the blogs, go to www.urac.org/blog/experts-challenge-telehealth-industry-demonstrate-long-term-value

To view other updates, go to www.urac.org

HFAP

HFAP Academy Live October 10 – 11. There are separate tracks for hospitals and ambulatory surgery centers. This is for new administrators; accreditation coordinators; facilities thinking of obtaining HFAP accreditation. This will be a comprehensive overview of HFAP requirements and trouble spots. To find out more information about this event, go to www.hfap.org

DNV

DNV has several on-demand webinars - examples – Who’s afraid of the big bad cyberwolf; is sterile processing Department safe; helping manage workplace safety business success; palliative care – improving the quality of life for patient & family. To view information about these webinars – go to www.dnvgl.us/publications/index.html?DynamicListId+12698

Kansas Hospital Association

Upcoming Educational Offerings
May 14- Webinar – Opioid Safety in the Hospital and Through Transition Home

July 25-26 KHA Leadership Institute
August 9 – Healthy Kansas Hospitals

To find out more information about these offerings, visit the KHA website at https://www.kha-net.org/EducationConventionTS/EducationEvents/
As stated earlier in this newsletter, this year, we celebrate our 30th anniversary as a membership organization.

The Kansas Association began in partnership with the state of Missouri as a two (2) state association. During that time, the Midwest Association* (currently Kansas City Chapter) was formed. In 1983, several medical staff coordinators met in Wichita to discuss forming a Southern Chapter similar to the Midwest Association. Since its inception, the Southern Chapter generated much interest and grew to include most of the state of Kansas, excluding Kansas City. In 1989, the state of Kansas** formed its own Association, the Kansas Association of Medical Staff Services (KAMSS), and the Southern Chapter was disbanded.

* Was combination of Missouri and Kansas.
** As well as Missouri

In 30 years, the members may have changed, but the purpose of the organization hasn’t.

- To provide an organized structure at the state level for members to work together in areas of interest
- To provide educational programs
- To serve as a resource for medical staff services
- To provide a channel of communication between NAMSS and KAMSS
- To promote the purpose of, and membership in, NAMSS

KAMSS objective is to provide the opportunity for continuing education and to promote the improvement of professional knowledge and skill by uniting persons who are engaged in medical staff activities throughout KAMSS under the auspices of NAMSS.

If you look over the past 30 years, KAMSS has sponsored many hours of education and has provided a forum and served as a resource for our members, so the organization has met the purpose and objective as an organization. We currently have 84 members.

Thank you for 30 years!!
