CONTINUING EDUCATION UNITS: 13 CE credits have been requested from the National Association Medical Staff Services (NAMSS)

TARGET AUDIENCE: medical staff service professionals, provider enrollment, credentialing specialists, managed care administrators, medical staff leaders, quality improvement professionals, healthcare administrators and consultants.

DRESS CODE: Attire is business casual. Please dress in layers due to the variable room temperatures.

PROGRAM OBJECTIVES March 28-29, 2019

- State Medical Board Update
  At the completion of this course attendees will be able to discuss the following: MD, DO and DPM and Training Certificate license renewal process updates; PA Supervision Agreement review; Medical Board rules update; Medical Marijuana – the physician perspective.

- NAMSS Update
  At the completion of this course attendees will be able to discuss the following: Describe the history of NAMSS, strategic initiatives and impact on the industry; Identify elements of the NAMSS Leadership and Volunteer Pathways to better support the profession; Discuss verification benchmarks and grassroots efforts NAMSS is supporting to improve credentialing efficiencies.

- Avoiding Negligent Credentialing, from an Expert Witness
  At the completion of this course attendees will be able to Define how to avoid credentialing risk in your facility; Understand why a rushed appointment can come back to bite you; Differentiate between well written and vague or confusing privilege criteria; Describe the potential role of the MSP in a lawsuit deposition and at the trial; And more.

- Accreditation and Joint Commission
  At the completion of this course attendees will be able to Explore myths and truths surrounding the traditional belief that "more is better"; Identify scenarios that may require more or less verification from primary sources; Define methodology to assist in the development of a primary source grid Understand that not all application processing is identical.

- Psych RN Amy Dee Reveals the “Science of Sanity” for Today’s Challenging Healthcare Environment
  Motivational Speaker, Amy Dee, turns advanced behavioral science into practical "retain your brain" techniques for keeping negative thoughts from creating crazy-toxic emotions and situations at home and at work. From interacting with difficult patients and coworkers, to coping with the epidemic overload of paperwork, processes, and long hours, she has a genius for using humor to reveal our profound power to stay sane by making small, personal choices each day that wind up changing... everything!

- Needless Risk (Red Flags in Credentialing)
  At the completion of this course attendees will be able to discuss advanced solutions to provide the best protection for your patients, staff and organization; How much could it cost your organization if don’t properly perform due diligence; Developing best practice to avoid costly errors in vetting providers; Implementing smart technology to streamline processes.

- Ohio Advanced Practice Provider Update
  At the completion of this course attendees will be able to discuss the recent scope of practice issues impacting Ohio Advanced Practice Providers; Identify operational implications of recent scope of practice issues impacting Ohio Advanced Practice Providers.

- Things That Scare Us in Your Bylaws
  At the completion of this course attendees will be able to identify common problem areas in Medical Staff governing documents, and Consider best practice recommendations when preparing/amending Medical Staff governing documents.

- Reporting Obligations: The Proverbial Dirty Laundry
  At the completion of this course attendees will be able to Highlight updates to the NPDB Good book and their practical implications, and Point out where reporting obligations differ between the NPDB and the State Medical Board of Ohio

- Region Roundtable
  During this session, attendees will actively participate in discussion regarding region specific issues and have the opportunity to discuss industry-related questions in a smaller group setting.
