**#MSPWEEK**<sup>®</sup>

**NOVEMBER 6–12, 2022**

**How do you know that when you seek medical care, the practitioners you see are properly educated, licensed, and trained in their specialty?**

During National Medical Staff Services Awareness Week, we recognize Medical Services Professionals—important members of the healthcare team who are dedicated to thoroughly investigating and verifying the credentials of healthcare practitioners. These dedicated professionals use their expertise in areas such as medical staff organization, accreditation, regulatory compliance, and provider relations in their essential role as gatekeepers of patient safety.

**Don't forget to stop by and say hello to your medical services professionals.**
